

Common Drosophilids of the Midwest and Northeast

Thomas Werner & John Jaenike

Leucophaenga varia females

Chymomyza amoena females

Hirtodrosophila duncani males

Hirtodrosophila duncani females

Drosophila melanogaster males

Drosophila melanogaster females

Drosophila simulans males

Drosophila simulans females

Drosophila suzukii males

Drosophila suzukii females

Drosophila algonquin males

Drosophila algonquin females

Drosophila athabasca males

Drosophila athabasca females

Drosophila affinis males

Drosophila affinis females

Drosophila busckii females

Drosophila robusta females

Drosophila paramelanica females

Drosophila hydei females

Drosophila immigrans males

Drosophila immigrans females

Drosophila putrida males

Drosophila putrida females

Drosophila neotestacea males

Drosophila neotestacea females

Drosophila falleni females

Drosophila recens females

Drosophila quinaria females

Drosophila palustris females

Drosophila subpalustris females

Drosophila tripunctata females
